## Explanation of Responses:

Restricted stock units of which 7,771 vest on March 12, 2002 and the remaining 7,771 vest on March 12, 2003. (2) These shares were acquired from March 12, 2001 through December 31, 2001 pursuant to the Hershey Foods Corporation Employee Savings Stock Investment & Ownership Plan (ESSIOP). These shares were purchased at various intervals throughout this period, and the closing price on December 31, 2001 was \$67.70. The exact price of each share at date of acquisition is not readily determinable.

These options were granted under the Hershey Foods Corporation 1987 Key Employee Incentive Plan, and they have a stock withholding feature which permits the withholding of shares of stock at the time of exercise to satisfy the grantee's income tax withholding rights.

Options vest according to the following schedule: 25% of the options granted vest on the first anniversary of the grant date, an additional 25% vest on the second anniversary date, an additional 25% vest on the third anniversary date, and the options become fully vested on the fourth anniversary of the grant date.
